WHAT WE'RE LEARNING THIS MONTH

Spring is here! We love the changing of the seasons and watching all the growth both in the outdoors and in each of our students. We have learned so much this year and will continue to practice and review all that we have learned.

Our learning centers and small group activities will be changing to reflect the month of April's learning goals.

This month's themes include:

- Letters – V, W, X
- Number 9
- Transportation
- Weather
- Spring
- Seeds and plant growth
- Color Purple
- Ovals
- Name writing
- Complex scissor skills

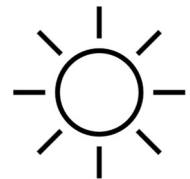

EASTER

We will be hosting an Easter party in our classroom on March 31st and April 1st. Students will be making an Easter craft, eating a special snack and participating in an egg hunt.

Preschool will be closed for Easter vacation from April 2nd to April 6th. We will return to classes on April 7th.

APRIL'S BIBLE VERSE

**“The earth is the
Lords and
everything in it”
