## *Monthly News*

**February 2020**

**F**ebruary will be another busy month in the Winkie Bear classroom! We will continue to practice writing our names. We will be talking about Dental Health and Dinosaurs as well as Valentine's Day! Our Bible verse reminds us of our love for God and each other and we will be planning several Valentine's activities this month, including a party (look for the sign-up by our door soon)! Our centers will be filled with many math and literacy experiences that coincide with our themes. We will specifically focus on the letters K, L, the color pink and the number 7.
