Color Mixing

Looking Back at September:

The children are adjusting well to the routine and rules of the classroom. We have been having fun getting to know each other and learning together! We have been counting, learning our letters and sounds and studying the lifecycle of our caterpillars. It was so much fun watching Zip and Zap go through their metamorphosis to become butterflies!

Highlights for the Month:

- Color Mixing - we are scientists
- Pumpkin & Fall exploration
- How a Pumpkin Grows
- Orange Day – Wear Orange on Wed. Oct. 18th
- Cherry Crest Farm field trip – October 30th!

Director's Corner:

Is breakfast really that important to your child's learning? Check out these links for some answers and advice on this important topic.
