Peter Panda Post

From: Ms. Anita & Ms. Rita

Welcome to the start of a new Preschool Year! We will spend this month getting to know each other, learn our daily routine and go over classroom rules. We will also learn about apples, the life cycle of a butterfly and do some hands-on color mixing!

Our Theme: Our Names, Apples, Butterflies and Color Mixing

**Bible Verse: In the beginning God created the Heavens and the Earth.
Genesis 1:1**

Bible stories: Creation, Adam and Eve, The Sneaky Snake, Noah's Ark

Special Days

As we go through the year we will have special days for the children to dress in a certain color or theme. I will let you know by e-mail or send a note home about these special days. We will have our first special day in October.

Show-and-Tell

We will try to have a show-and-tell day during the last week of each month for our T/Th class. Since we are getting used to the rules and the routines of the classroom in September, we will have our first Show-and-Tell in October.

Our M/W/F class will have letter bags every Friday, starting with the letter Aa. Students are asked to bring in 3 items that begin with our letter of the week. Each student will share their three items with the class at the end of the week. We will start with letter Aa on September 22nd.

Shoe Reminder - For the safety of our preschoolers NO Flip Flops or CROCS, please. Thank you!
